

Aftercare for Highlighted Hair

- *Avoid washing hair too soon, wait at least 2 days after your service.*
- *Try washing max twice a week*
- *cold/lukewarm water is healthier and prevents fading*
- *Use a pigmented color support shampoo blue or purple depending on your blond hair.*
- *Try a water filter for your shower*
- *Stay away from heat styling as much as possible and do not forget a heat protecting product.*
- *Use only sulfate free shampoos and conditioners*
- *If you are a regular swimmer use a gentle clarifying shampoo once a month. Apply a leave-in conditioner prior to your swim and or a swimming cap.*
